Ref. No. 16092-1-A/45. dated 28th March 1945

Sir,

Subject: Medical Institutions - Lady Goschen Hospital, Mangalore - Morgan Ward - Continuance as a C.Class Ward.

Reference: G.O. No. Ms. 1038 P.H. dated 29.

The Government, in their order referred to above, sanctioned the conversion of the Morgan Ward with four beds in the Lady Goschen Hospital, Mangalore into a C.Class Ward as an experimental measure for a period of one year. This arrangement was given effect to from 15-5-1944 by the District Medical Officer, South Kanara.

During the period of 290 days from 15-5-1944 to 28-2-1945 hospital stoppages have been collected from patients in the C-Class ward for a period aggregating to 1067 days in the four beds together. This shows that the C-Class beds have been occupied by patients almost fully throughout the period.

A sum of Rs.975/- has been collected as hospital stoppages during the above period, whereas only a sum of Rs.407/- would have been realised if these beds had been treated as general wards. The additional revenue to Government, derived by the conversion of the beds into C Class wards is Rs.568/-

As the C. Class ward is very popular, and is in great demand, I recommend that it may be continued for a further period of one year, after which the advisability of continuing the arrangement furtner or making it permanent will be considered.
